A LETTER FROM THE BOARD

On behalf of the Board of Directors for the Actor's Charitable Theatre, I want to welcome you to our performance of Seussical, Jr.!

The journey for many of the young people on this stage began late last year when they began raising money and preparing for the Junior Theatre Festival in Atlanta. This sixteen-person cast competed in mid-January and won an Excellence in Ensemble Work award for their performance of an abbreviated version of Seussical, Jr. Averie Bonneville, Eli Sims, and Brady Taylor won individual awards as well. They all made us very proud!

It's been amazing to watch this cast of thirty-three prepare since early January, and to watch the many parents that jumped in and helped with set building, painting, and props. From the smallest Who, to the Bird Girls, to the Wickersham Brothers, to the Cat in the Hat himself, you will be entertained by every member of this cast!

So sit back, relax, and enjoy as Horton learns just how important every person is, from the biggest to the smallest!
